Bailey Synergy™
Rainscreen System

Secret fix hook-on
cassette rainscreen
system

Key benefits

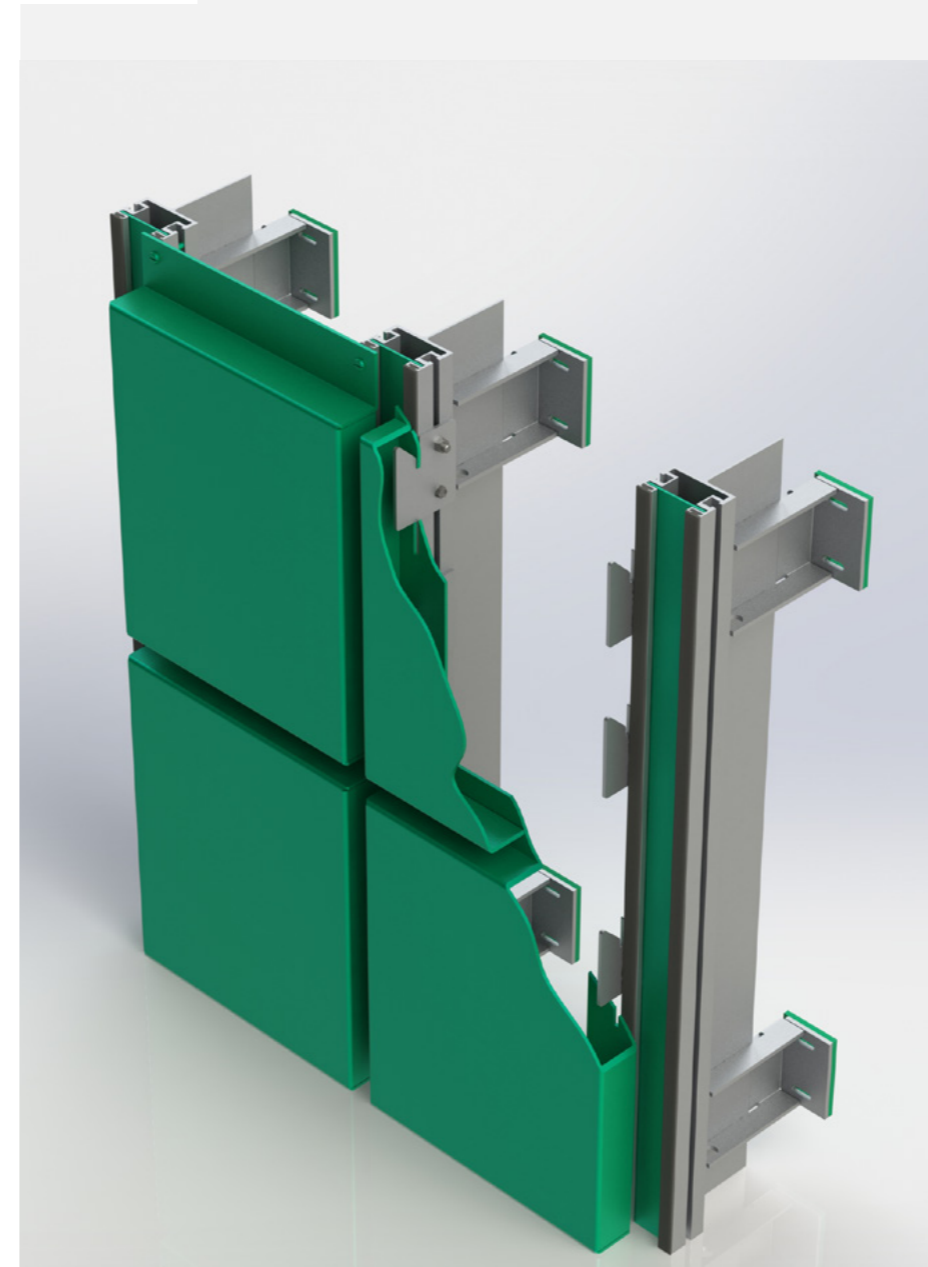

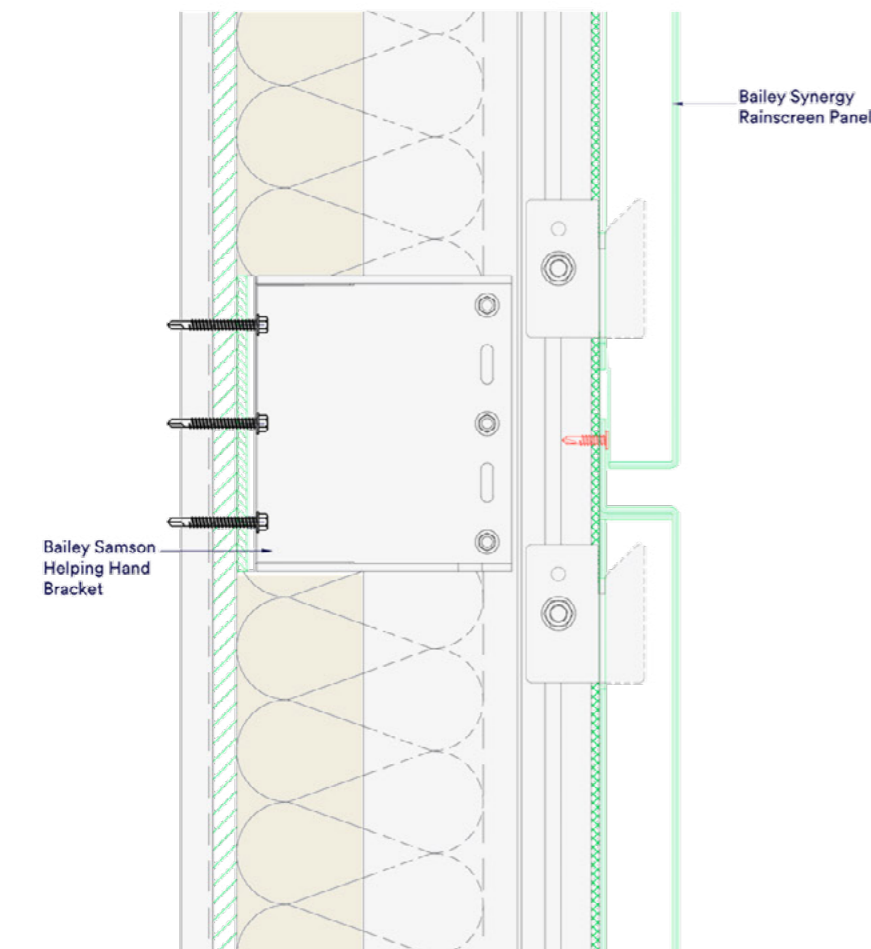

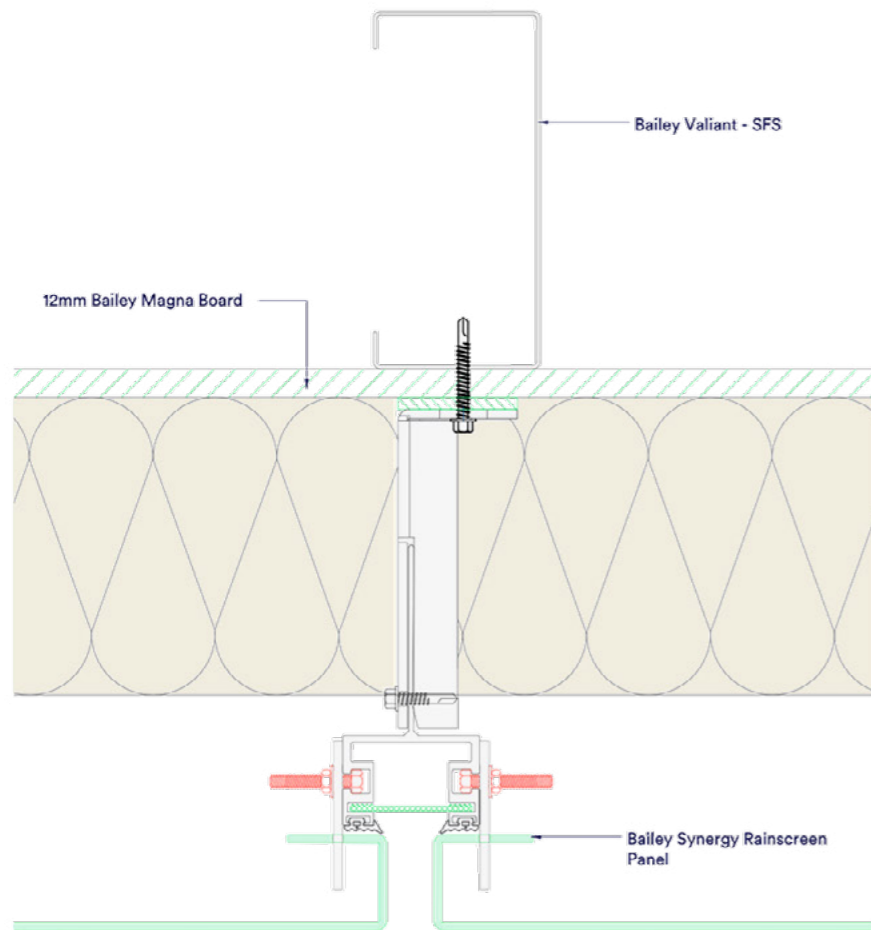

Reduction in number of folds.
Adjustable hook supports means that panels are easier to fit.
Secret fix system.

The Bailey Synergy™ Rainscreen System is a 'hook on' system which is incredibly quick and easy to install allowing panels to be hooked into place without the need for them to be held in place during installation making this one of the safest systems to fit. With its secret fix detail the Bailey Synergy™ Rainscreen System creates a robust and consistent finish, fit for almost all designs of rainscreen façade.

Benefits and features

- Bailey Synergy™ Rainscreen System is one of the most cost effective rainscreen products we offer
